Simple Thoughts . . . from a Not-So-Simple Dog

The Diary of a Mindful Dog

BOB LUCKIN

It only took author Bob Luckin just a few weeks to get acquainted with his dog Murphy. They got to know each other so well that they began sharing their thoughts even though they didn't speak the same language they understood each other. Readers will enjoy the playful and sometimes comical comments of a dog who not only has a nose close to the ground, but also a simple heart that clearly expresses the joys of life. *The Diary of A Mindful Dog* is a collection of what they have learned so far.

"I believe that dogs have come to earth as God's sacred messengers, to instruct us on how to be better humans. The problem is few of us have been teachable. Read *The Diary of a Mindful Dog* with an open heart and allow yourself to be teachable."

— DR. DENNIS MERRITT JONES

BOB LUCKIN has had a life-long career in Mental Health, serving in many different capacities. He has also been an artist and writer for most of his life. He became a director at Centers for Spiritual Living Palm Beaches in Lake Worth FL in the year 2000. He is a writer of a monthly column for the Science of Mind magazine

The Technology of Intention
ACTIVATING THE POWER OF THE UNIVERSE WITHIN YOU!

KIM STANWOOD TERRANOVA

Foreword by Rev. Michael Beckwith

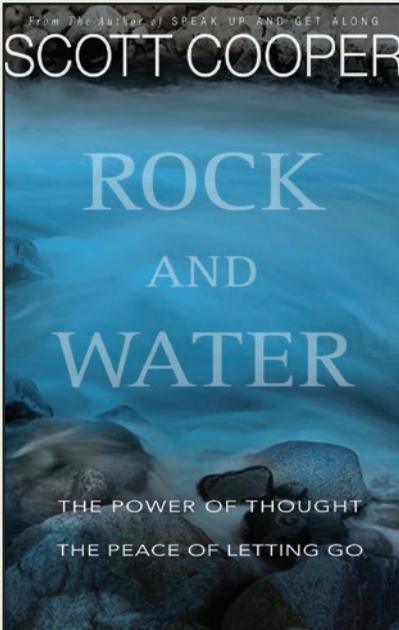

We are a technological society, no doubt about it. Our devices keep us informed while isolating us from each other and from ourselves, our true selves. There is, however, another technology, an inner technology that brings us back to our true selves and gives us the ability to create lives of joy, abundance and wisdom.

Kim Stanwood Terranova calls it The Technology of Intention and in this book she teaches the reader how to tap into this technology and unleash its power. This book is a guiding light in assisting us to not only understand the power we each have, but also to give us the road map and step-by-step process to ignite that power.

KIM STANWOOD TERRANOVA is a woman of passionate power who assists individuals with experiencing true inner greatness and unlimited, authentic joy. She is a licensed Practitioner of Truth from The Agape International Spiritual Center in Los Angeles, and has also earned a Bachelor's Degree in Spiritual Studies.

“Joel Goldsmith’s inspired and profoundly inspiring books represent a vital contribution to the spiritual awakening of humanity.” — ECKHART TOLLE

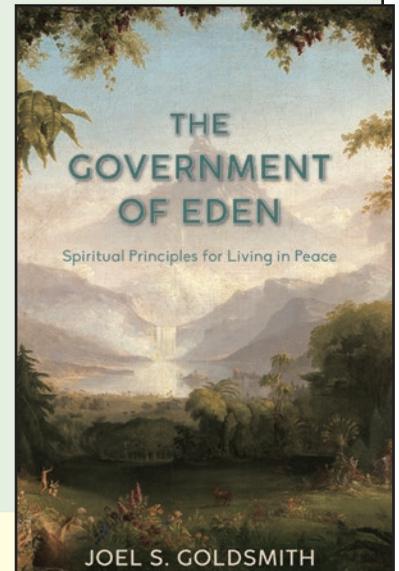

The Government of Eden

SPIRITUAL PRINCIPLES OF LIVING IN PEACE

JOEL S. GOLDSMITH

Drawn from nearly 300 transcripts and numerous books, *The Government of Eden* offers an enlightening message of assurance, conviction, and practicality that is both timely and timeless. This volume is comprised of teachings that illuminate not only the nature of our divine consciousness, but also our all-important responsibilities as spiritual citizens. Joel is not only calling us back to the peaceful garden of freedom and fulfillment within, but also guiding

us to and through the gates of Eden, which have never been locked – except in belief. The material found in this book is as relevant today as it was when it was delivered in the 20th century. It represents Goldsmith at his finest, revealing the practicality of the mystical message he taught and lived through *The Infinite Way*. The book will serve as a daily inspirational guide, not only in an election year, but throughout the year as we examine the way we govern ourselves.
