FREE UP YOUR SPACE, MIND & HEART

DANA LAQUIDARA

In *The Uncluttered Mother*, Dana Laquidara presents a process that takes you on a journey to stress-free motherhood (that's not a typo). Yes, it's possible to go from Calendars & Clutter, to Health & Habits, to Inspiration & Intuition, knowing that Laquidara's personal experience and compassion are leading you by the hand. Beyond just validation for that overwhelmed feeling, this book offers a solution. Getting rid of beliefs, stuff,

thoughts and activities that do not reflect your core self, is extremely empowering and uplifting.

“Dana Laquidara is a guiding light for mothers who strive to simplify life in order to enjoy the small moments of motherhood. Taking the time to declutter is a gift that gives back.” — MIA WENJEN, *The Pragmatic Mom*

Here is a unique collection of life-changing quotes from Neville Goddard that contains many never-before published spoken selections. *The Word Of Neville* offers prolific and transformative excerpts from his numerous books, lectures, and talks which include original bits of wisdom that were never printed in his books. Gathered from recordings, Natalia Larson has extracted the brilliance of Neville, and now DeVorss is releasing this very unique book for Neville fans to hold close and cherish.

NEVILLE GODDARD (1905-1972) was among the last century's most articulate and charismatic purveyors of the philosophy generally called New Thought. He wrote ten books under the solitary penname Neville, and was a popular speaker on metaphysical themes from the late 1930s until his death in 1972. Possessed of a self-educated and uncommonly sharp intellect, Neville captured the sheer logic of creative-mind principles as perhaps no other figure of his era.

“Neville captured the sheer logic of creative mind principles. His work impacted me in a very profound way; in fact, he’s been a great mentor to me.”

— DR. WAYNE DYER

Today's culture of spiritual search owes a considerable part of its foundational ideas, lineage, and vocabulary to Spalding's vision. — MITCH HOROWITZ

BAIRD SPALDING

Introduction by Mitch Horowitz

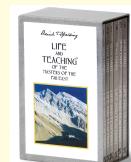

Baird Spalding played a ground-breaking role when he introduced the Western world to the wonders of a Far East expedition in 1894. The knowledge of “Masters” assisting and guiding humanity in the classic book *Life And Teaching Of The Masters Of The Far East* became legend in metaphysical circles during the first half of the 20th century and continues today as a source of spiritual enlightenment.

Originally published as 3 separate volumes, DeVorss Publications is proud to release these historic books in one edition with a NEW INTRODUCTION by MITCH HOROWITZ, author of *Occult America*. It is within these 3 volumes that Spalding details an expedition that lasted 3 years and covered the mountainous landscape of Nepal and India near the close of the 19th century.

The Gathering A 40-DAY GUIDE TO THE POWER OF GROUP AND PERSONAL PRAYER

JIM ROSEMERGY

Prayer is a challenge for many of us. What should we ask of God? Is anyone listening? Why aren't our prayers being answered? The hard truth is this: God doesn't fulfill needs. For thousands of years, humanity has brought needs to God with little success, often resulting in disillusionment. Now is the time to try something new: A nine-step prayer practice called *The Gathering*.

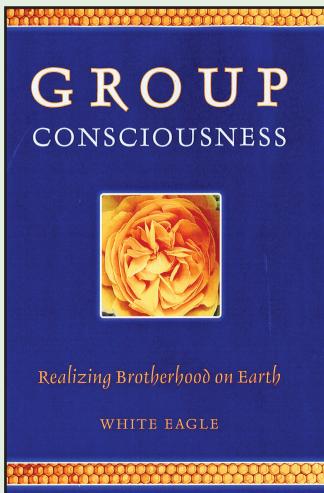

JIM ROSEMERGY is an ordained Unity minister whose focus is spiritual awakening. Jim is retired and lives in the north Georgia mountains where he continues his writing and spiritual explorations. Jim has served the Association of Unity Churches (now Unity Worldwide Ministries) since his ordination. He began on the Bylaws committee, became chair of the Expansion Committee, and was then elected to the Board of Directors and Executive Committee. During 1987-88, Jim was elected president of the Association of Unity Churches. Jim is the recipient of 2007 Light of God Expressing Award.

The Gathering will lead you to the avenues through which God's power and presence can be expressed. You'll see that prayer isn't something you do; rather, it's an experience of God's presence. Having seen thousands truly connect with God and transform their lives through prayer, author Jim Rosemergy believes *The Gathering* is divinely inspired.

Simple Thoughts . . . from a Not-So-Simple Dog

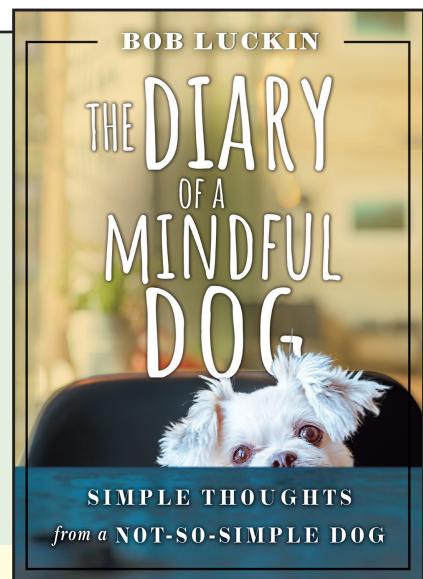

The Diary of a Mindful Dog

BOB LUCKIN

It only took author Bob Luckin just a few weeks to get acquainted with his dog Murphy. They got to know each other so well that they began sharing their thoughts even though they didn't speak the same language they understood each other. Readers will enjoy the playful and sometimes comical comments of a dog who not only has a nose close to the ground, but also a simple heart that clearly expresses the joys of life. *The Diary of A Mindful Dog* is a collection of what they have learned so far.

"I believe that dogs have come to earth as God's sacred messengers, to instruct us on how to be better humans. The problem is few of us have been teachable. Read *The Diary of a Mindful Dog* with an open heart and allow yourself to be teachable."

— DR. DENNIS MERRITT JONES

BOB LUCKIN has had a life-long career in Mental Health, serving in many different capacities. He has also been an artist and writer for most of his life. He became a director at Centers for Spiritual Living Palm Beaches in Lake Worth FL in the year 2000. He is a writer of a monthly column for the Science of Mind magazine
